7. Institutional Values and Best Practices

7.1 Human Values and Professional Ethics

7.1.9 Sensitization of students and employees of the institution to the constitutional obligations values, rights, duties and responsibilities of citizens.

Debra Thana Sahid Kshudiram Smriti Mahavidyalaya sincerely sensitizes the students towards their responsibilities as citizens of India. The entry point age of the students is 18 years. Most of the freshers are new voters. The college provides them with a democratic environment where they can ask questions, debate and dialogue among themselves and with the faculty to develop an open-minded attitude, essential for becoming conscious citizens.

Every year the college organises flag-hoisting ceremony and other programmes on Independence Day and Republic Day. All staff and students are encouraged to participate actively in these programmes. Speeches are delivered by senior faculty on those occasions, whereby the students learn the importance of constitutional obligation.

The college establishes policies that reflect core values. Code of conduct is prepared for students and staff and everyone is required to obey the conduct rules. The institution encourages participation of students in Sports and Games and NSS at National level to strengthen nationwide bond and relation.

The institution takes pride in raising up successful leaders among the students by conducting the Student Council election. The elected representatives are given leadership training and delegate the responsibilities of organising college programmes with the support of other student volunteers.

The institution takes many initiatives like conducting awareness campaigns, organizing seminars, workshops to sensitize the future leaders to inherit human values coping with the constitutional obligations. Ethical Values, rights, duties and responsibilities of citizens are some of the topics that are enlisted in Elocution/ Debates activities.

The students from different departments have regularly participated in the events like Mock Parliaments organised in different institutions.

The College magazine published every year and read by all the students and employees prints the Fundamental Duties of the citizens of India. The same is printed on the College Prospectus. The staff of the college is always granted special leave, whenever they avail of this leave to cast their votes in any election. Whenever any staff of the college is given electoral duties, due facilities and encouragement is extended by the college authority. A part of the college building

where Teacher's Education classes are held is provided for electoral works during every election. In 2019 the College provided the venue for training in operation of new EVM to the staff of

the college, as asked by the election commission. In these various ways the institution fosters a sense of constitutional obligations among the students and staff.
