## Haiku

Bipasha Majumder, Medinipur, W.B.

(I)

The amphan rampaged,  
I penned, unpenned, penned again  
a rainbow appeared.

(II)

green water of pond  
a couple of swans swimming  
pandemic of love

(III)

too much heavy air  
with the stench of corpse flowers  
look! chrysanthemums

(IV)

flame peacock flowers  
drop gently on the lush green  
it's showering spring

(V)

sunless sky swallowed  
by black smoke of wailing  
countless corpses strewn

(VI)

chilly dewy dawn  
tiny white ice-crystals dream  
to live but in vain. ■
